### 39 BIG LOCAL – PROVISION OF CHRISTMAS LIGHTING DECORATIONS

Minute 26 (a) refers)

Councillor C. Smith and P. Nicholson declared an interest in this item.

Karen Tarburton (RCAN) was present to inform members of her role with the Big Local and to clarify the request for Parish Council support for the provision of Christmas Lighting Decorations in the Parish. The Clerk informed members that at the last meeting, although “sponsorship” for the decorations on lamp standards had been requested, it had become apparent following the meeting that the Parish Council would be required to insure the lighting provision in Carlton and Costhorpe and that the licence issued by the County Council for provision of decorations would also have to be obtained by the Parish Council. The Clerk informed members that extensive conditions would have to be met before a license can be issued. Following a variety of questions raised by the Council’s insurers relating to ownership of the lighting equipment it has now been confirmed that the Council’s Public Liability responsibilities will be insured.

Karen Tarburton informed members that because of constitutional issues faced by the Big Local, that organisation is currently unable to obtain insurance cover although it will be responsible for contractual obligations with the Company providing and installing the lighting. In addition, members were informed that the Parish Councils Insurance and licensing obligations would only be for the first of a three year project. Karen explained the work she had undertaken on behalf of Big Local to ensure that the conditions being imposed by the County Council would be met. Karen also explained that the County Council is to meet the cost of any additional electricity provision for supply to the lights.

The Clerk has submitted an application to the County Council in order to meet pressing deadlines for the project and members further considered the sponsorship request in addition to the licensing and insurance responsibilities for the first year only of the three year project.

RESOLVED that (1) Karen Tarburton be thanked for her explanation of the detailed requirements from the Parish Council for the first year of the project.

(2) for the first year of the 3 year contract agreed by Big Local the Council approve sponsorship of 3 of the 11 lamp standards to be illuminated within Carlton and Costhorpe at a total cost of £1,950 and the Council also approve the license application submitted to the County Council along with Public Liability Insurance cover also for the first year of the project

(3) details of the 3 year contract entered into by the Bog Local be noted and that organisations proposals for year 2 and 3 be noted.

(4) the report received from Big Local that no additional costs, including the provision of electricity for the project are to be met by the Parish Council be also noted.
