### 51. NOTTS COUNTY COUNCIL ISSUES

Members considered a letter received from the Leader of the Bassetlaw District Council on proposals being suggested by the Notts County Council for the formation of a Unitary Authority for Nottinghamshire.

Members were also informed of an "engagement event" on this issue being held at County Hall on the 23th October 2018.

Discussions ensued on the County proposals and particular reference was made to having and planning services being "governed" by the proposal unitary authority. Members also referred to the remote geographical location of this Parish with Nottingham and the fact that communities in the north of the County have no affinity with Nottingham. The geographical relationship with larger centres does not include the City of Nottingham and travel routes are more prevalent to other areas outside the existing District. The current proposal being suggested by the County Council is not supported.

RESOLVED that the Clerk convey this Council's current views to the Leader if the Bassetlaw District Council and to the Nottinghamshire County Council.

52. BASSETLAW DISTRICT COUNCIL ISSUES

Heritage Lottery Fund has approved the “Pilgrim Roots Project” which will see £776,000 worth of investment into the Roots area (North Nottinghamshire, South Yorkshire and West Lindsey) to portray and retell the historical story of the Pilgrim Fathers escape from religious persecution in Bassetlaw.

57. PLANNING ISSUES

i) Neighbourhood Plan

The Clerk indicated that initial indications from the Independent Inspector were favourable towards the plan but that a number of minor amendments are likely to be proposed. The Inspectors formal decision is awaited.

ii) Planning Applications

18/00862/RES – Land South West of Thievesdale House, Blyth Road – The Parish Council originally supported the proposal for residential dwellings and business park on this site.

The current application is in respect of access and junction improvements, landscaping and sustainable drainage infrastructure, to support the development and the Parish Council has no objection to the proposed work.

18/01148/FUL - Residential development of 151 dwellings, construct new access with associated infrastructure and landscaping – Land east of Doncaster Road, Costhorpe – The proposal was considered by the Parish Council on Tuesday the 9<sup>th</sup> October 2018.

**AGREED OBSERVATION**

1. The Parish Council does not object to the development of this site with a limit of approximately 150 new homes (Neighbourhood Plan Policy 4)
2. The proposal need to adhere to Policy 1 of the Neighbourhood Plan (Sustainable Development) Policy 2 (Housing Type and on Allocated Sites) and Policy 4 (allocation of land at Doncaster Road (site 2) (Site allocations Ref LAA0076)
3. It is felt that in particular the opportunity for mature residents to downsize to bungalow accommodation appears to be limited to 3 bungalow plots an allocation of 10 to 12 would be more appropriate
4. The inclusion of Social: Proposed Housing is welcomed. However the absence of 2 bedroomed properties for the 'Market' precludes the opportunity for younger residents to purchase given that there is only provision for 3 and 4 bedroomed properties which may well be not affordable for first time buyers. This inappropriate balance needs to be rectified.
5. The site is not considered suitable for 3 storey properties.
