Carlton News – NUMBER 100!!

I don't doubt that your reading of this excellent publication will already have made you aware that this edition is number 100!!

I am delighted on behalf of the Parish Council to convey our sincere congratulations to all of the hard working volunteers who strive continually to produce a Village Publication which in my view is second to none!

It is an attractive publication both in terms of its varied content and in terms of its eye catching presentation. In addition it ensures that all of the local community is kept informed and aware of local events and it provides a communication hub which serves every home.

Over the years of its existence many volunteers have been involved at various stages and they as well as the current team are to be sincerely thanked for their ongoing much valued contribution.

Finally, can I say that when the first publication was organised and supported by the Parish Council and the Nottinghamshire Rural Community Council one hundred editions ago I for one did not anticipate that such a professional and award winning publication would result.

The least that I and the Parish Council can do is to say WELL DONE and THANK YOU to you all.
