

Another Clean Bill Of Health!

It is important for the local community to be reassured that its Parish Council is operating as it should!

Each year, independent auditors appointed by the government undertake an examination of the Council's activities to ensure that the Council is acting lawfully, within its powers and in the best interest of the Community which it serves. The Auditors have access to Council files, reports correspondence and minutes in addition to all financial information and activity. Public notice is given each year to inform the community when the Audit will commence this is usually around June or July and the Parish Council has just received the good news that the Audit Exercise for 2015/16 has been completed and the Council has received a "clean bill of health".

It is increasingly essential these days for communities to be reassured that they can have confidence in their local Council that issues and activities are addressed in public and that governance and legal and financial regulations are being observed and followed. If you want to know more please contact myself Peter Goulding (Clerk) or Helen Brown (Administrative Assistant) email parishcouncil@civiccentre.org.uk telephone number 01909 541127 or better still come along to a Council meeting at the Civic Centre on the second Tuesday of the month (October meeting is 7pm at the Youth Centre, Lawn Road all other meetings at the Civic Centre)
