

Carlton in Lindrick Parish Council

The Parish Council has recently involved itself on wide ranging issues relating to the Bassetlaw District Council Local Plan, the future development of the former James Hince Court Site and other opinions and views ranging from speeding vehicles within the village to arrangements for the new cemetery in Hundred Acre Lane which will be brought into use when space is no longer available at the Church.

Since the lifting of some Covid restrictions, use of the Civic Centre and attendances at the Youth Centre have shown a rapidly increasing trend and community organisations along with younger people in the village appear to be making the best of our available facilities.

Whilst there seems to be few 'certainties' these days in relation to future events, the Council would like to bring your attention to the next Family Fun Day being organised at the Civic Centre for Saturday 4th June 2022.

Sadly, after building up a well-attended Community Event in recent years, described by some as one of the best in the County, Covid was responsible for the cancellation of the 2020 and 2021 events and staff at the Civic Centre are already working hard to increase the number of attractions visiting us next year. The occasion will coincide with the Platinum Jubilee of the Reign of Her Majesty Queen Elizabeth II and it will be an event to look forward to by residents following the sad impact of Covid on all our lives.

Local residents also need to be aware of the continued presence of Community Police Personnel at the Civic Centre. Police representatives will be present at 'Public Surgeries' to be held between 5pm and 7pm on the 14th December 2021 and the 18th January 2022 if members of the public do wish to have face to face discussions with police representatives on any issues of concern.

Finally, given that this edition of the Carlton News is to be circulated in December can I on behalf of all members of the Parish Council, the Civic Centre Trustees, the Youth Centre Voluntary Committee and staff supporting each of those Community Organisations wish all of you a very Happy Christmas, one that is filled with joy and family comfort and a New year full of Hope, optimism and contentment.

Best Wishes
