### A Word of Thanks

Some of you will have read and seen photographs in the April edition of the Carlton News of the tree planting project at our new Cemetery in Hundred Acre Lane.

As a Council we would like to publically thank James De Villiers who is a resident in the village and was solely responsible for promoting the scheme. James is a representative of the Woodland Trust and he and his family have spent hours on the site undertaking planting and watering processes. Not only will their efforts be good for the local environment but visitors to the Cemetery over the years to come will hopefully enjoy the additional sense of comfort and dignity provided by such a natural feature.

It's worth noting too that James has already worked with our District Council on additional tree planting schemes at Langold Lake.

Thank you James, the commitment demonstrated by you and your family is very much appreciated.

It is hoped that by the time this news item is published Council sponsored community facilities at both the Civic Centre and at the Youth Centre will be back in full swing!

As Covid restrictions have gradually been lifted there has been an upsurge enquiries from local individuals and organisations wishing to enjoy the facilities we have available and staff at both community establishments are busy trying to accommodate new suggestions and ideas.

It has been most heartening recently when entering the premises to hear the buzz of activity – the sound of children shouting, singing and being guided by those “in charge” has never been so welcome. Long may it continue – adults too are enthusiastic because of the return to some normality.

You are reminded that staff at the Civic Centre continue to be available for enquiries and any issues relating to Parish Council activities can be discussed with myself or Helen Brown by contacting 01909 541127 or emailing [parishcouncil@civiccentre.org.uk](mailto:parishcouncil@civiccentre.org.uk)

PC Goulding
