2) the Clerk be authorised to obtain information from the Bassetlaw Planning Department on the current "status" of the site in relation to any work which may have been undertaken which is contrary to the Decision Notice

13. PEPPERS DEVELOPMENT – BLYTH ROAD

The District Council is consulting the Parish Council on the identity of the new housing development which will be accessed from Thievesdale Lane, Worksop.

Although the site is within the Parish it has been suggested that a formal address as "Carlton in Lindrick" could cause confusion given the location of the site which is on the fringe of the Parished Area.

Members considered the current addresses applied to adjoining sites located in what is identified as the "Carlton Forest" area of the Parish and it was:-

RECOMMENDED that the formal address for the site be supported as "Carlton Forest".

Following discussions at the last Parish Council Meeting the Clerk reported on correspondence with the District Council Conservation Officer. Members were informed that some progress has been made following discussion between the Officer and property owners.

15. DOUBLE YELLOW LINES – CHAPELGATE/LOW STREET

Councillor Bowles reported on a variety of issues raised with the County Council on both road maintenance and the status of double yellow lines at this location. The Clerk was requested to make further enquiries.

16. LAWN ROAD – DISPOSAL OF DRINKS CANS

It appears that occupiers of HGV's parking in the Lawn Road vicinity are depositing empty drinks cans into the street. The Clerk agreed to make enquiries.
